## Tee off and assist Legacy

**F**ANCY your chances of getting a hole in one? Then don't miss the Bathurst Legacy golf day being held tomorrow at Bathurst Golf Club.

The event is a four person ambrose, and is open to anyone who can play – with handicaps given where needed.

Organisers have great prizes on offer, including a \$5000 cash prize for anyone who gets a hole in one on any par three hole.

Other prizes include a draw for three nights' accommodation for two in a premier room with coastal views at the five star RACV Royal Pines Resort on the Gold Coast.

The draw is open to anyone paying the \$30 entry fee.

And of course there's the \$5000 cash prize for anyone who gets a hole in one on any par three.

Other prizes up for grabs include nearest the pin and longest drive on the 18th. There is also first place for men and women and runners up.

There will be lots of other prizes.

Organisers of the event thanked sponsors Harvey World Travel, Westpoint Shopping Centre and Hill End Gold for their support and urged the community to come along and have a great day.

The event is a major fundraiser for Bathurst Legacy and enables the group to continue its care and assistance to some 250 war widows in the Bathurst and Oberon areas.

For more information on the day, or to register, call 63311379.
