Dear Sir/Madam

BASSARI SECURES FUNDING

Hill End Gold Limited (HEG) advises that its wholly owned subsidiary HEGL Investments Pty Ltd has signed agreements with Bassari Resources Limited (BSR) to provide BSR with \$250,000 to be used for general working capital.

The short term funding is provided for a four (4) month term at a market interest rate, secured by a charge over BSR's wholly owned subsidiary, Bassari Equipment Pty Ltd, and may be converted at HEG's election at 0.8c per share following BSR shareholder approval to refresh its 15% placement ability.

Yours faithfully

Philip Bruce
Managing Director
