PRESS RELEASE - Hill End First Gold Pour Ahead of Schedule

Hill End Gold Limited (ASX:HEG) will pour gold in March – some weeks ahead of schedule.

In making the announcement to the ASX Managing Director, Mr Graham Reveleigh said this was possible as an additional shift had started on the Hawkins Hill-Reward Gold Project.

“The installation of the plant and power supply is being finalised for the first gold pour in March” he said.

Hill End is located 60kms north west of Bathurst in NSW.
